

TECHNICAL DATA SHEET

FOUR STROKE 30

PRODUCT DESCRIPTION

FOUR STROKE 30 A high performance mono grade crank case oil designed for small petrol and diesel engines Dyed red for identification.

APPLICATION

FOUR STROKE 30 Recommended for four stroke petrol lawn mower engines, running on either leaded or unleaded petrol, especially Briggs and Stratton engines. Also recommended for small four stroke petrol and diesel stationary engines.

PERFORMANCE

Control oil consumption and deposits
Promote longer engine life

Protects against rust, corrosion & wear

PERFORMANCE CHARACTERISTICS

- SAE GRADE 30
- API SG/CF
- ACEA E2
- CCMC D2
- Briggs and Stratton SE/SF/SG SAE 30
- MIL-L-46512D
- MIL-L-2104 F
- M2C-121E3
- GM 6049M

FOUR STROKE 30

TYPICAL INSPECTION

Properties		Value
SAE Grade		30
Density @15°C		0.904
Viscosity @ 40°C		102
Viscosity @ 100°C		11.5
Viscosity Index		100
T B N		10.2
Sulphated Ash		1.3
