## TECHNICAL DATA SHEET

### SUPER TRACTOR OIL UNIVERSAL (STOU)

#### PRODUCT DESCRIPTION

**SUPER TRACTOR OIL UNIVERSAL** Multifunctional, Sae 15W/40 oil for naturally aspirated and turbo-charged engines, manual gearboxes, wet-brake systems, hydraulics in tractors, construction equipment and conventional diffs.

#### APPLICATION

**SUPER TRACTOR OIL UNIVERSAL** Multifunctional, all-season 15W/40 lubricant. For naturally aspirated and turbo-charged engines, wet-brake systems, and hydraulics in tractors, construction and off-highway equipment. Hydraulic performance and gear performance satisfy the requirements of off-highway and construction equipment. Suitable for manual gearboxes of cars, vans and light commercial vehicles where an API GL4, SAE80W or SAE 90 is required.

#### PERFORMANCE

- Rationalisation of grades and packages.
- Good protection for gearboxes due to minimal foaming and stable lubricating film.
- Excellent viscometrical allows it to be a stay-in-grade oil.
- For use in normally aspirated and turbo-charged diesel engines and petrol engines using leaded or unleaded fuel.
- May be used for four stroke petrol engines in agricultural equipment.
- Protect against sludging.
- Compatible with all gaskets and seal.
