TECHNICAL DATA SHEET

TITAN GEAR SYN 75140

PRODUCT DESCRIPTION

TITAN GEAR SYN 75140 A fully synthetic hypoid gear oil for highly stressed, conventional and Limited Slip (LS) differentials as well as other crown wheel and pinion gears, steering mechanisms in vehicles and industrial machinery.

APPLICATION

TITAN GEAR SYN 75140 Miscible with all mineral oil and synthetic based oils therefore no flushing is required.

PERFORMANCE

Extended drain capability and therefore fewer changes, resulting in lower operating costs
Excellent cold flow characteristics imparting smoother operations of differentials at low temperature.

Improved gear wear and reductions in fuel consumption due to reduced drag.
Fully compatible with all seals and metal components.

PERFORMANCE CHARACTERISTICS

- API GL-5 LS
- Mack GO-J
- Military MIL-PRF-2105E
- SAE J2360
- API MT-1
